**FOR IMMEDIATE RELEASE**

## **LifeWave Donates Hundreds of Containers of the SP6 Complete Meal Replacement to Local Senior Citizen Services**

**(Atlanta) (April 2011)** – [LifeWave](http://www.lifewave.com), an international distributorship company in more than 90 countries that offers a full line of unique non-transdermal patch products as well as a nutrition system, recently donated over 800 containers of its [SP6 Complete Meal Replacement](#) to the [Senior Citizen Services of Metropolitan Atlanta, Inc.](#) for its Meals On Wheels Atlanta program.

The Meal Replacement is part of the LifeWave SP6 Complete Time-Released Meal Replacement program that allows a person the benefit of eating several small meals each day but only in one glass. The Meal Replacement provides time-released proteins over a 5-hour period with fiber that improves digestion, promotes fat burning, controls the appetite and contains electrolytes for improved hydration.

“LifeWave is delighted to provide the SP6 Complete Meal Replacement for Atlanta’s Meals on Wheels program that serves so many seniors in need,” said LifeWave Founder and CEO David Schmidt.

“We want to thank LifeWave for this generous donation and look forward to incorporating the Meal Replacement into the meals we distribute daily to more than 300 seniors in metro Atlanta,” said Jerrell L. Saddler, director of operations for Senior Citizen Services of Metropolitan Atlanta.
